

Cancellation of Oakford Phase I HOA Board Meeting

Oakford Phase I Homeowners

Over the past two weeks, we have been actively monitoring the global outbreak of COVID-19. Florida is currently the fifth highest state of confirmed COVID-19 cases at over 100. These cases are clearly on the rise and community spread is starting to occur. With that being said, the Board has decided out of an abundance of caution to cancel our upcoming Board Meeting on Wednesday March 18th. We wish everyone well and hope to resume our normal meetings as soon as possible.

Stephen Burke
President
Oakford Phase I Homeowners Association
